

## R120

### External Label Rewinder

#### Efficient and User-friendly

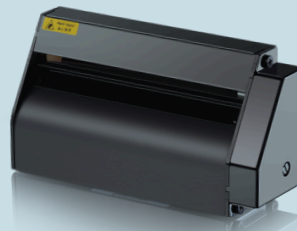

---

Postek R120 External Label Rewinder features Auto-adaptive speed technology to automatically adjust rewinding speed to the printer's printing speed.

It is the perfect complement to the exceptional performance of any barcode label printer with label width of 2.5 cm to 12 cm, and its maximum rewinding speed reaches up to 10 ips.

## A150/A400

### Rotary Cutter

#### Safe and Durable

---

Postek A Series Rotary cutter is designed as a value-added accessory for special applications to Postek barcode label printers.

All metal blade and rotary cutter design assures its trust-worthy proficiency. It is safe to use with the patent structural design.

## POSTEK Ribbon

#### Original and Affordable

---

Postek original high quality ribbon provides an affordable choice to ensure perfect printouts while effectively protecting the printhead to extend its life.

## SPECIFICATIONS
