

## Empowering Women in Tech and Keeping Your Printers in Tip-Top Shape

Kia ora!

At PMC, we're passionate about both supporting women in technology and ensuring your tech equipment runs smoothly. It's a win-win! As technology continues to advance, so do the incredible women leading the charge in fields like coding, cybersecurity, and tech innovation. We're proud to be part of a community that encourages and champions diversity in these industries.

### Why Women in Tech Matter

Technology is not just for the men – it's for everyone! Women bring fresh perspectives, creativity, and innovative solutions to the tech world, making their involvement more important than ever. Whether you're just starting in the field, or are an experienced professional, your contributions shape the future of technology. Let's continue supporting, mentoring, and celebrating the women in tech – because when we lift each other up, we all succeed.

EMPOWERING  
WOMEN IN TECH

### Printer Care: A Simple Step for Big Results

Taking care of your printer is one of the easiest and most important tasks you can do to keep it running at its best. Whether you're using a barcode label printer or a plastic card printer, regular cleaning is essential for optimal performance and longevity. Cleaning your printer ensures that you avoid jams, poor print quality, and premature wear, giving your machine a longer life and saving you money in the long run.

### Give Your Printer the TLC It Deserves

Do yourself a favour and give your printer a quick clean today. It's a small task that makes a huge difference. To help you out, we have a variety of cleaning kits

in stock, including products for Zebra, Badgy, Evolis, Primacy, Edikio, and Seatory printers. They're all designed to keep your equipment working efficiently, so you can focus on what matters most.

We're here to help with all your printer care needs, and we look forward to supporting you in every step of your tech journey.

Thank you for choosing PMC – together, we're making the world of technology better and brighter for everyone.
