

## Hello from the Team at PMC!

## Our Website Just Got a Fresh New Look

We're excited to share that our website has had a fresh new update! The new look at [www.pmc.net.nz](http://www.pmc.net.nz) makes it easier than ever to find up-to-date information about the **products and services we offer**. Our dedicated team continue to focus on creating positive and valuable outcomes that will help your business thrive. We look forward to being of service.

Discover a whole new range of 2D and Presentation Scanners with Seuic and AiGather

### SEUIC

Wired and wireless barcode scanners excel in diverse scenarios such as automated factory assembly, retail store checkout/inventory, and logistics warehousing, and is especially adept at decoding paper labels, wrinkled and deformed product codes, as well as laser-engraved barcodes on printed circuit boards or metal surfaces.

### AIGATHER

Presentation CMOS barcode scanner is equipped with AiGather's patented decoding algorithm software, which combines a 2m/s motion tolerance and

a large FOV. It can quickly read screen codes and paper codes, help shop staff to work more effectively.

### Join Us at Foodtech Packtech – Sept 2–4

We're exhibiting at this year's **Foodtech Packtech** show from **September 2–4** at Auckland Showgrounds – and we'd love to see you there! Come visit our stand, check out what's new, and have a chat with our friendly team.

### Visit Us & Win

If you drop by our stand during the show, you'll go in the draw to **WIN a \$100 Woolworths Voucher!** It's our way of saying thanks for stopping by.

### New Products After a Successful Aussie Launch

Following a fantastic response from our recent launch in Australia, we're excited to continue bringing **new and updated products** to the Australian market. Whether you're looking to improve efficiency, performance, or sustainability, we've got something for you.

We look forward to connecting with you soon – either online or in person at the Foodtech Packtech Show!

### Talk to Us

If you are thinking about upgrading your technology or just want to know more our team is here to help

**Contact Jordan or Keith on (09) 416 9670 or [contact us](#)**

Warm regards,  
**The PMC Team**
