

Hello from the Team at PMC!

We've done it again! Our technology.net.nz website now has a new look too!

It's so much easier for you to find your area of interest by selecting one of the new tiles under PMC Technology Service Sectors.

Thank you to everyone who visited us at FoodTech PackTech 2025.

Our team had a great time and loved demoing and chatting about our product range.

Just in case you entered the **PMC Prize Draw**, the winner has since been drawn and notified.

Don't miss out!

EXPO SPECIALS are still available on | **Seuic AUTOID Pad Air** – Android Rugged Tablet 5G

| **Seaory S21 Bundle** – Plastic card printer, colour ribbon & 100 cards

| **Seaory S22 Bundle** – Plastic card printer, colour ribbon & 100 cards

| **Seaory R300** – Retransfer duplex card printer | **Seaory R600** – 600dpi Retransfer duplex card printer.

The **Seuic AUTOID Pad Air** is an Android Rugged Tablet, All-in-one industrial design, lightweight & slim.

The **Seaory** range of **plastic card printers** are cost effective without compromising on print quality.

So, if you visited us and are still thinking about something that interested you or you didn't quite make it this time, you've got until 30 September 2025 to get sorted.
