Tips to save on heating costs

- Heating**
 - Only heat the rooms you use
 - Close curtains before sunset to keep the warmth in
- Appliances**
 - Use a slow cooker | Keep freezers full
 - Turn off appliances at the wall, STOP 'Vampire power' usage

Ways to keep Warm this Winter

- Personal Warmth**
 - Layer clothing | Wear wool or thermals
- Ventilation**
 - Air the house on sunny days to reduce moisture
- Heat Retention**
 - Use thick rugs to insulate on wood, laminated or tiled floors

So, whether its price, reliability or you just need a bit of help deciding. **Look no further, contact our specialists and discuss your needs today!**
