Time to get **Spring Cleaning** your machines! It makes them last longer.

ZEBRA Scanner – Kit DS9308

On SALE !

On SALE ! Zebra SCANNER KIT DS9308-SR4U2100AZW

| 1D/2D Imager | General Purpose | USB | Presentation | IP52 | Standard Range
Red Illumination/Amber LED Aimer.

Kit includes: DS9308-SR00004Z Scanner Black, Shielded USB Cable

The DS9308 is a small presentation Scanner with big functionality and a near-zero footprint. Fits anywhere, scans everything and is built for all-day reliability.

Zebra's exclusive PRZM Intelligent Imaging technology gives high performance on 1D, 2D and Digimarc® barcodes - ability to scan tiny and high density, poorly printed, damaged, low contrast and other challenging barcodes.

We've just added 2x more **Resin Ribbon SIZES** to our range:

- **57mm x 74m** 4 inch core (110mm core) **\$17.08** + GST & freight
- **110mm x 70m** 4 inch core (110mm core) OW **\$18.80** + GST & freight

Get your Online Order in so you can take up this FREE offer!

Do I really need to Spring clean my machines? Short answer – **YES!**

It helps extend their life and performance.

We've got a variety of **cleaning kits and accessories** that'll do the job for:

- **Plastic card machines** • **Barcode printers**
- **Wristband printers** • **Kodak scanners**

So, whether its price, reliability or you just need a bit of help deciding.

Look no further, contact our specialists and discuss your needs today!
